1. Understanding why forests need funds

Start by showing the "Growing a Forest" presentation (Downloadable Material) so that the children understand the effort it takes to grow a forest and why fundraising is essential for such a project.

2. Fun ways to fundraise
Brainstorm with your class ways to raise money for BirdLife Malta and Foresta 2000. Each class can choose one fundraising idea to carry out. Here are some fun suggestions:

- Bake Sale – Prepare and sell cakes or treats for classmates and staff.
- Fashion Show – Children create outfits from old clothes and showcase them in front of parents.
- Dress-Down Friday – For a €1 donation, students can come to school in casual clothes for the day.
- Wacky Hair Friday – For 50c, children can come in with funny or creative hairstyles.
- Quiz Night – Organise a quiz for families to join, charging €1 per team.

3. Celebrating your contribution
When the activity is complete, send your class donation (cheque payable to BirdLife Malta) together with a short note. In appreciation, BirdLife Malta will send you a Funding a Forest certificate, which will later be presented to your Dinja Waħda coordinator at the annual Dinja Waħda Awards ceremony.
